Hi Gregor,

Thank you for contacting us and we are really happy that you want to use our video for this purpose. However, as this video is 2 years old I want to double-check with the unit who produced it to make sure that it's 100% ok to use, particularly as we're talking about students. It would be sad if we contributed to giving students the wrong perception in some way.

I will get back to you with a final answer asap.

Yours sincerely,

Ulrika Bergström
